

Eternal Black

Eternal is a line of tear shaped urns that symbolizes both tears of sorrow as well as the eternal flame.

The urn is 100 % Black carbon fiber, which stands for strength, firmness and perfection.

To guarantee the quality of products, there are only 1000 pieces of Eternal Black urns available.

TECHNICAL DETAILS

DIMENSIONS

6.3x7.3x11.8 inch
160x185x300 mm

WEIGHT

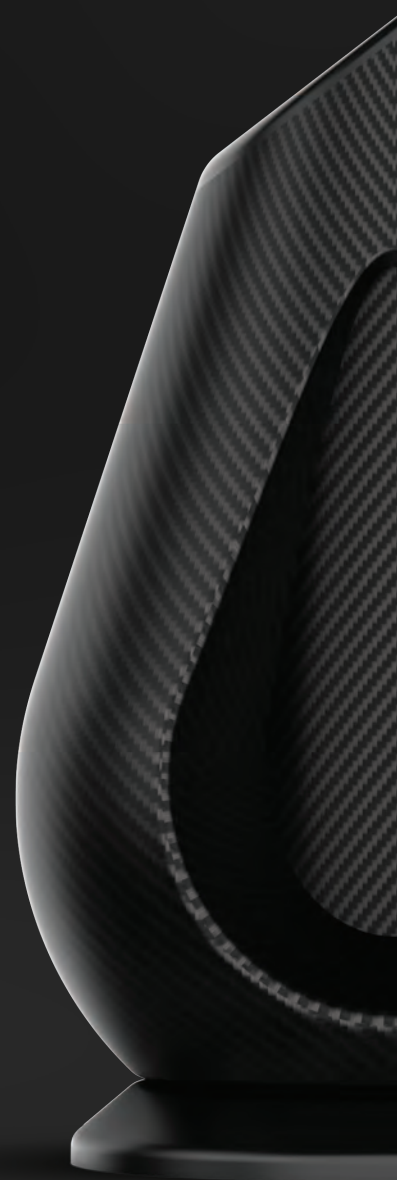

2.4 pounds
1.100 g

VESSEL VOLUME

200 cubic inch
3.2 lit

MATERIALS USED

Pre-preg carbon fibre
CNC billet aluminium

PRODUCT DESCRIPTION

- Name plate for custom engraving
- Cover - CNC billet aluminium
- Carbon fibre monocoque vessel with 3D printed mounting points
- Base - CNC billet aluminium
- DNA compartment - CNC billet aluminium
